

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, [www.nebraskablue.com](http://www.nebraskablue.com). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. | Important Questions   | Answers   | Why this Matters:   |
|---|---|---|
| What is the overall <u>deductible</u> ?                             | Individual/Family<br><u>In-Network</u> : \$2,000/\$4,000<br><u>Out-of-Network</u> : \$4,000/\$8,000   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.   |
| Are there services covered before you meet your <u>deductible</u> ? | Yes, <u>preventive care</u> , <u>prescription drugs</u> , and <u>provider office services</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .                       |
| Are there other <u>deductibles</u> for specific services?           | No.   | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?       | <u>In-Network</u> : \$4,500/\$9,000<br><u>Out-of-Network</u> : \$9,000/\$18,000   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.  |
| What is not included in the <u>out-of-pocket limit</u> ?            | <u>Premium</u> , <u>balance billed charges</u> , penalties, denial for failure to obtain certification and services this <u>plan</u> doesn't cover.                 | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .  |
| Will you pay less if you use a <u>network provider</u> ?            | Yes. See <a href="http://www.nebraskablue.com/find-a-doctor">www.nebraskablue.com/find-a-doctor</a> or call 1-844-201-0763 for a list of <u>network providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (a balance bill). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?          | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

All copayment and coinsurance costs shown in this chart are after your overall deductible has been met, if a deductible applies.
