

May 30, 2017

Dear Valued Members:

We've begun 2017 with a promising first quarter. We're excited about the impact our new Family Term insurance is having. We are excited to see entire families being able to afford the life insurance coverage they need.

As of March 31, 2017, we have \$10.86 billion in assets, with a surplus of \$1.3 billion. This equates to a very strong surplus ratio of 13.73 percent.

We could not accomplish these impressive numbers without our members, who are highly engaged in WoodmenLife and in the good of their communities. Thousands of these individuals participated in this year's Jurisdictional Conventions, and we appreciate all their feedback in keeping WoodmenLife financially strong going forward.

Thank you for your trust and confidence in WoodmenLife.

Sincerely,

Patrick L. Dees  
President & CEO
